Intravenous Cannulation Workshop

➤ **DATE**

5 May 2020
(Tuesday)

➤ **TIME**

8.30am – 4.30pm

➤ **VENUE**

International Medical College,
Subang Jaya, Selangor

This practical workshop will provide participants with valuable skills and knowledge required to insert peripheral intravenous cannula and care for the cannulation site.

This is a 1-day workshop with lectures, skills demonstrations and breakaway sessions for skills practice and assessment. Participants will have their cannulation competency individually assessed on a cannulation 'model' arm.

Participants will receive a certificate of completion at the end of the workshop.

OBJECTIVES

At the end of this workshop, participants will be able to :

- ✓ Explain the best practices in the insertion and management of peripheral intravenous cannula in adults
- ✓ Demonstrate the best practices in the insertion and management of peripheral intravenous cannula in adults
